### **Vector's Mike Heretick Wins Three at FGCAR Pinnacle Awards Heretick Took Home Number One in Regional General Brokerage**

ST. PETERSBURG, FL – Vector Commercial Real Estate Agent Michael Heretick had a 2021 for the record books, and he now has three Pinnacle Awards gracing his office bookshelf to prove it.

In addition to securing the Florida Gulfcoast Commercial Association of Realtor's (FGCAR) Top Regional General Brokerage Award, Heretick also took home Number Three in Regional Industrial and Number Three in Regional Office as well as a Multi-Million Dollar Producer Award.

"Mike had a great year and we are all thrilled for his success," said Vector Broker Ned Willis.

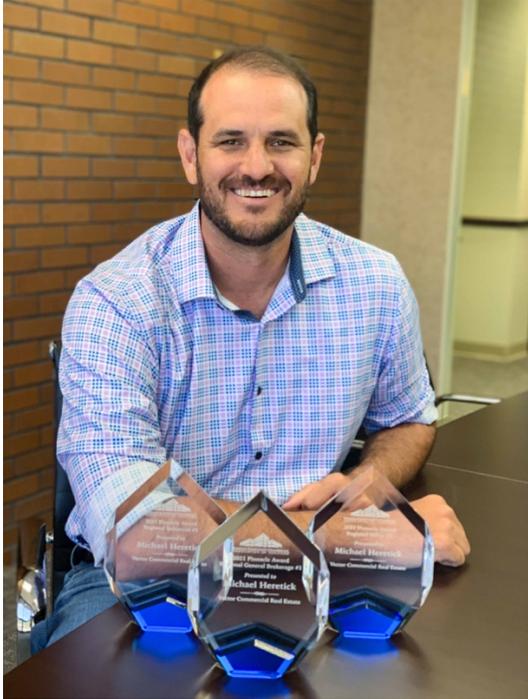

In particular, Heretick closed a \$10.5 million Industrial deal when he sold the former Raytheon land at 1501 72nd St. N. in St. Petersburg. He also closed a \$4 million office deal and a \$4.2 million investment deal.

"While it was a great year for me personally, it wouldn't have been possible without my outstanding clients and the support of the other Vector agents," said Heretick. "I would like to thank all of my clients for putting their trust in Vector for their commercial real estate needs."

Heretick has more than 11 years of experience in commercial real estate. He began working with Vector shortly after graduating from the University of Florida in 2007. Mike provides brokerage services (Sales, Leasing, Tenant and Buyer Representation), property management and real estate consulting, guiding clients through all facets of the commercial real estate process.

Vector Commercial Real Estate is a full-service commercial real estate firm established in 1985, located in downtown St. Petersburg, Florida.
